

## With My Senses

By Christine Mandia

With my   eyes, I see **1** one  deer running and **2** two   rabbits sunning.

With my  nose, I smell **3** three baking  cakes and **4** four  strawberry  shakes.

With my   hands, I feel **5** five fuzzy   kittens and **6** six woolen   mittens.

With my  tongue, I taste **7** seven bites of  cheese and **8** eight sweet round  peas.

With my   ears, I hear **9** nine   birds singing and **10** ten   bells ringing.

With my senses I can explore the  world.
